

Auburn Bicycle Committee

Bike Rack Suggestion Form

The Auburn Bicycle Committee is working to make Auburn a more Bicycle Friendly Community. As part of that effort, we are initiating a program to request commercial and/or retail establishments install bicycle racks. We are accepting recommendations from cyclists detailing where they would like to see a rack installed. If you have a suggestion, please fill out the attached form and return it to the Auburn Bicycle Committee by email (bezelle@auburnalabama.org), by fax (334.826.5049), by mail or in person to Brandy Ezelle, 365 B North Donahue Drive, Auburn, AL 36832. There is no limit to the number of suggested locations. Thanks for your assistance in this program.
