

In accordance with the Alabama Competitive Bid Law (Section 41-16-50, Code of Alabama, 1975), all expenditures of public funds for labor, services, or for the purchase of materials, supplies, or other personal property or lease of such items involving \$7,500.00 or more shall be made only after a free and open competitive bidding process has been completed. Under Title 39 of the law, all public works projects which include the construction, repair, renovation, or maintenance of public buildings, structures, sewers, waterworks, roads, bridges, docks, underpasses, and viaducts as well as any other improvements to be made that are in whole or part paid with public funds must also be awarded through the competitive bid process if such projects involved \$50,000.00 or more.

If your company provides a product or service that is governed by the competitive bid laws and you would like to be on our bid list, please complete the information below and return it to:
