INSTRUCTIONS FOR FILING A REQUEST OF REFUND

Failure to complete all sections of this form could delay the processing of the request and may result in
the denial or return of the request.
- Request must be filed (postmarked) with the Revenue Office within three (3) years from the date the return
was filed or two (2) years from the date of the payment of the tax/licensing fee, whichever is later. Section 40-2A-7 of The Code of Alabama, 1975.

Section 1: Tax/Licensing Refund Type--this section should identify the tax/licensing fee type for which the refund is being requested. It should also indicate the period (i.e. Month/Year) in which the tax/licensing fee was originally remitted to the City of Auburn; this will be the period for which the refund is requested. A separate request form must be submitted for each tax/licensing fee type.

Section 2: Basis of Refund Request & Amount Requested--this section should provide a brief explanation as to why the refund is being requested. Additional sheets may be attached if needed. The Revenue staff requires sufficient information and documentation to support the claim of refund and to determine the accuracy of the refund amount. If you are unable to calculate the refund amount, the Revenue staff will calculate the amount for you based on the information and documentation provided.

Section 3: Petitioner Information--this section should present the business information as recorded on the business registration form and recorded in the City of Auburn's tax/licensing system. The form should be signed by a person who is legally responsible for the tax/licensing account or authorized agent (Power of Attorney form must be completed). The City will not accept the request without the original signatures (photocopies or faxes will not be accepted).

- If the refund request is denied, you have thirty (30) days from the date of denial to file a written appeal of the denial. The written appeal shall be mailed to the Alabama Tax Tribunal, P.O. Box 327130, Montgomery, AL 36132-7130.

Filing The Proper Petition

There are two types of petitions – Joint Petitions and Direct Petitions. The Joint Petition requires the signatures of both parties to a transaction. The Direct Petition requires the signature of only one party to a transaction. No refunds will be issued unless the proper petition is filed. Listed below are the taxes administered by the City of Auburn and the proper petition to file for each.
