ANNUAL FOURTH OF JULY CELEBRATION SPONSORED BY BRIGGS & STRATTON

Celebrate Independence Day with the entire Auburn Community, Auburn Parks and Recreation and Briggs and Stratton! Enjoy great food, live music from the Lamont Landers Band, free goodies courtesy of Briggs and Stratton, and THE best fireworks display in the entire area! So grab your picnic basket, blanket, and the family and join us for a fabulous night of entertainment and a chance to show your patriotic spirit! Born and raised in Alabama, Lamont Landers grew up absorbing the soulful sounds of the south that surrounded him. At the age of 14 he taught himself how to play guitar, and at the age of 19 began singing. He spent years quietly honing his talents behind his bedroom door, listening to records by Stevie Wonder, Al Green, Sly & The Family Stone, and Ray Charles on repeat. At the age of 22 a candid video recorded by his sister of him performing the Ray Charles' classic "Hit the Road Jack" went viral on YouTube, and with the help of Reddit.com garnered over 400,000 views overnight. His YouTube channel now has over 11,000 subscribers and over 1.9 million views, and his four-piece outfit, The Lamont Landers Band has since become a staple in college towns and performs across the southeast bringing their joyful noise of Soul, Funk, and R&B to audiences of all sizes. The Band includes members: Jordan Lamont Landers - Lead Vocalist/Guitar; Kevin Canada - Keyboardist; Bowen Robertson - Drums; and Curtis Comack - Bass.

Gates open at 6 p.m.; Entertainment begins at 7 p.m.; fireworks begin at 9 p.m. The rain date is Wednesday, July 5th. The FREE Celebration will be held behind the Home Side of the Duck Samford Football Stadium. Please remember - the parking lot off of Airport Road, which is shared between the Bo Cavin fields and the New Duck fields, will be closed to the public during the event to accommodate our fireworks shoot site. However, the parking lot off of E. University Dr. next to the Old Duck fields will be OPEN to the public for parking. **FREE to the public.**

ZUMBA GOLD - THE FUN WORKOUT FOR ANYONE ANY AGE ANY ABILITY

Zumba Gold was designed for the older active adult, a person who hasn't been exercising in a long time or individuals who may be limited physically. The biggest difference between Zumba Gold and Zumba basic is that Zumba Gold is done at a much lower intensity. It's just as much fun, just not as fast! Zumba Gold utilizes the same great Latin styles of music and dance that are used in the Zumba basic program, including the Salsa, Cha-Cha, Rock 'n Roll and Merengue. The Zumba Gold program strives to improve balance, strength, flexibility and most importantly, the heart. When you take the Zumba Gold class, be sure to wear comfortable workout clothing, take water and a towel, along with a "ready to party" attitude! **FREE to the public.**

SEATED ZUMBA GOLD

Zumba movements are designed to mimic many typical Latin dance styles like salsa, rumba, and cumbia. Although traditionally many of these dances require use of your entire body, they can easily be adapted for people with mobility challenges. Many movements can be done with the upper body from a seated position in a wheelchair. Because so many different styles of music are usually incorporated into typical Zumba classes, participants join into the motions they feel most comfortable with. This class is a great way to strengthen the upper body as well as the lower extremities such as ankles and feet (if able). The class can be taken from your own wheelchair or from a regular chair. Chairs will be provided. **FREE to the public.**

YIN YOGA FOR HEALTH AND HAPPINESS

Yin Yoga is a little different than the "typical" yoga class. It is a more passive yoga class where we learn to relax our muscles in order to improve the health of our joints, ligaments, fascia, and all other connective tissues that normally are not exercised in traditional exercise. Please let the instructor know of any injuries or concerns as she may need to modify a pose to meet your specific needs. Yin Yoga is recommended highly if you are over the age of 35 as it helps to keep the connective tissues, joint, and other aspects of the body in proper alignment and good health as we age. Yin also teaches breathing techniques that help improve mood, sleep, and mobility. This is an all levels class from beginners to advanced. Please bring your own yoga mat and towel. **\$5/class. Payable to INST first day of class.**

SEPTEMBER 29TH: SIFAT AROUND THE WORLD AND GLOBAL FEAST, LINEVILLE, AL

The idea of SIFAT (Servants in Faith and Technology) was conceived in the jungles of Bolivia in 1976 when Ken and Sarah Corson and their four children moved to Sapecho to be pastors of a Bolivian Church. Realizing that the homesteaders there needed more than spiritual nourishment, Ken and Sarah began to work in integrated development with the people of the village. In 1979, the Corsons returned to Alabama and established SIFAT as a training center for meeting basic human needs. SIFAT has extended its training ministry to all ages through campus programs, international mission teams, seminars and conferences. Around the World is an interactive day-trip where we are provided with an opportunity to participate in hands-on activities with an international perspective, while focusing on the geography and cultural studies of Asia, Africa, and Latin America. The goal is to help people from different countries, cultures and social classes understand each other and work together. We will conclude our visit with a global feast. GOLF LESSONS

Indian Pines Golf Course, located at 900 Country Club Drive, is an 18-hole public golf course located in Auburn and adjacent Opelika. In 2005, the course was cited by *Golf Digest* in their rating of Auburn as the "best golf city in America". It is a par 70 course with summer bermuda grass and a bentgrass/ryegrass mix in the winter. Indian Pines was originally constructed in 1946 as the Saughatchee County Club, a nine-hole course, with the first tournament being held on July 4, 1947. The back nine holes, designed by Eddie Loos, were built in 1951. In 1976, the course was sold to the cities of Auburn and Opelika, which have operated it as a municipal course since. The course was redesigned in 1999. After fire destroyed the old clubhouse, a new clubhouse was constructed in 2006. Indian Pines hosts the Indian Pines Invitational, an amateur tournament drawing 200 participants and sponsored by Miller Lite. Indian Pines is the home course of the Auburn High School Tigers golf team. Golf lessons are taught by two professionals on site: Fred Holton, PGA General Manager/Professional and Jerry Bavaro, PGA Head Golf Professional. Golf lesson rates for Adults are \$75/hr. or \$45/half hour and rates for junior golf lessons are \$65/hr. or \$35/half hour. To register for golf lessons or questions, please contact (334) 821-0880. BALL COLOR CHART

Tennis is now easier for younger kids to play with the addition of different colored balls. These variations of tennis balls have a lower compression than the regular yellow balls. The different colored balls bounce lower for children's height and are more forgiving on player errors in technique. The age groups for USTA (United States Tennis Association) tennis are in the following ball color categories:

- Red Balls:** 8 and Under
- Orange Balls:** 9 - 10
- Green Balls:** 11 - 12
- Yellow Balls:** 13+

- Orange or Green Balls may be used in 13+ age groups in City of Auburn Tennis clinics according to skill level and drill being practiced.
- USTA rules and regulations for youth tennis are subject to change according to USTA policies and standards.

THE BIRTH VILLAGE CLASSES

The Birth Village Classes are a complete series of educational experiences to prepare you for the entire childbearing cycle. At the heart of the series is a robust, four-unit Childbirth Preparation course. In addition, there are four à la carte classes which may be taken on their own or which may be added onto the four-week childbirth course, according to the needs of your family. Individual courses include A Laid-Back Approach to Breastfeeding, Life as a New Mom with a New Baby, and Infant & Child CPR and Choking. Each unit lasts 2.5 hours. The Childbirth Preparation course is \$150 per couple. Each single class is \$50 per couple. (Couple includes mother and the support person of her choice.) All units feature up-to-date, evidence-based practices. Childbirth classes are approved for reimbursement through your medical Flexible Spending Account, and some insurance policies will cover them. **See complete descriptions of each class and register online at www.birthvillageclass.com. Credit cards accepted. Class will not meet on Monday holidays.**

AACT ANNOUNCES OPEN AUDITIONS FOR "BOB: A LIFE IN FIVE ACTS"

Needed: 3 men, 2 women. Funny people who want to act, dance a bit, and do physical comedy! The play is a great opportunity for comic actors to be uninhibited and creative – in voice and movement! One actor will play Bob; each other actor will play at least five parts, so actors will have to be adept at quick character changes. Nachtrieb calls the four actors (other than Bob) a "chorus" in the manner of classical Greek plays, and they function as such, narrating Bob's life, but more importantly: these actors play up to 30 different roles! Sets and costumes will likely be minimal, so set and costume changes will be brisk and challenging, but not on a Cher-in-Las-Vegas scale. The play is bright-spirited, fun, and fast-moving, but there is some adult language and situations; the characters need to be played by actors who are at least 21.

AACT "BOB: A LIFE IN FIVE ACTS"

Bob: A Life in Five Acts is a fresh, recent play written by Kentuckian Peter Sinn Nachtrieb. The play, an epic-scale comedy, spans America in its scenes and tells the life of an orphan Everyman, Bob. Bob, the child of circus performers, was abandoned at a White Castle diner. We follow Bob across America from infancy to middle age, from boxcars to mansions, in a quest for happiness and wisdom – involving dozens of crazy characters and thousands of hard highway miles. One actor plays Bob; four other actors, (two men and two women) will play at least five parts each, so actors perform lightning-quick character changes. Bob combines a wild satire of American self-reliance with a kaleidoscopic vision of American popular culture. The play is the best possible version of zany: it is surreal, but it is about real, believable people! **\$10/Adults, \$8/Students and Seniors. Tickets can be purchased and reservations made at auburnact.org.**

The Auburn Parks and Recreation Therapeutics Program offers recreational activities, programs/ leagues, social activities and field trips for citizens who have intellectual and physical disabilities. We provide an opportunity for children and adults to build friendships in a fun and encouraging environment. The programs are designed to strengthen and “show off” the participants’ abilities, rather than their disabilities. All programs are free, unless otherwise noted. The Therapeutics Program also supports and works with the Lee County and State of Alabama Special Olympics programs. If you are interested in finding out more information regarding our Therapeutics Program, please contact Elizabeth Kaufman at (334) 501-2930. PEERS™ FOR TEENS

PEERS® (Program for the Education and Enrichment of Relational Skills developed at UCLA) is a 16-week evidence-based social skills intervention for motivated teens in middle and high school who are interested in learning ways to help them make and keep friends. During each group session, teens are taught important social skills and are given the opportunity to practice these skills in session during socialization activities. Parents attend separate sessions at the same time and will learn how to assist their teens in making and keeping friends by helping to expand their teen’s social network, parents will also learn about providing feedback through coaching during weekly socialization homework assignments. **Enrollment is limited to 16 students. Parent participation is required.** The cost is \$175.00 and we are in the planning stages for the fall sessions (we may focus on young adults or younger students if enough participants show an interest in those age ranges). **\$175.** For enrollment information, please contact Dr. Doris Hill at hilldol@auburn.edu.
