SCAVENGER HUNT

It's time to break out the thinking caps and magnifying glasses Auburn – Itty Bitty Auburn is back and more challenging than ever! Beginning Wednesday, August 1, participants can pick up worksheets for the scavenger hunt at any Parks and Recreation facility or find it on the City of Auburn website, printed in select newspapers and on Facebook. The worksheet features 25 itty-bitty sights in historic Pine Hill Cemetery (located on Armstrong Street), along with four (4) bonus sites in Auburn's four other cemeteries: Baptist Hill Cemetery, Memorial Park Cemetery, Town Creek Cemetery and Westview Cemetery. Participants will find these sights and write the location on the worksheets. Completed worksheets must be turned in to the Harris Center by Friday, August 31 at 5 p.m. To be eligible for prizes, the worksheet must have correct answers for ALL itty bitty sites. Those who complete all 25 sites correctly and answer the four bonus questions correctly will be entered into the Grand Prize drawing. Winners will be announced and contacted on Tuesday, September 4. **As this event takes place in Auburn's cemeteries, we ask that participants remember that cemeteries open at sunrise and close at sunset. Additionally, please be respectful of burials taking place during your visits, as well as of other cemetery visitors and of the cemeteries themselves.**

As a part of the Alabama Bicentennial celebration, 2018 has been designated as the year to "Honor Our People." The Itty Bitty Auburn scavenger hunt is a designated Alabama Bicentennial event, honoring the people who make up the richly woven history of the Loveliest Village on the Plains. For more information about the Alabama Bicentennial celebration, visit [alabama200.com](http://alabama200.com). ## ZUMBA GOLD-THE FUN WORKOUT FOR ANYONE ANY AGE ANY ABILITY

Zumba Gold was designed for the older active adult, a person who hasn't been exercising in a long time or individuals who may be limited physically. The biggest difference between Zumba Gold and Zumba basic is that Zumba Gold is done at a much lower intensity. It's just as much fun, just not as fast! Zumba Gold utilizes the same great Latin styles of music and dance that are used in the Zumba basic program, including the Salsa, Cha-Cha, Rock 'n Roll and Merengue. The Zumba Gold program strives to improve balance, strength, flexibility and most importantly, the heart. When you take the Zumba Gold class, be sure to wear comfortable workout clothing, take water and a towel, along with a "ready to party" attitude! **FREE to the public.**

## SEATED ZUMBA GOLD

Zumba movements are designed to mimic many typical Latin dance styles like salsa, rumba, and cumbia. Although traditionally many of these dances require use of your entire body, they can easily be adapted for people with mobility challenges. Many movements can be done with the upper body from a seated position in a wheelchair. Because so many different styles of music are usually incorporated into typical Zumba classes, participants join into the motions they feel most comfortable with. This class is a great way to strengthen the upper body as well as the lower extremities such as ankles and feet (if able). The class can be taken from your own wheelchair or from a regular chair. Chairs will be provided. **FREE to the public.**

## YIN YOGA FOR HEALTH AND HAPPINESS

Yin Yoga is a little different than the "typical" yoga class. It is a more passive yoga class where we learn to relax our muscles in order to improve the health of our joints, ligaments, fascia, and all other connective tissues that normally are not exercised in traditional exercise. Please let the instructor know of any injuries or concerns as she may need to modify a pose to meet your specific needs. Yin Yoga is recommended highly if you are over the age of 35 as it helps to keep the connective tissues, joint, and other aspects of the body in proper alignment and good health as we age. Yin also teaches breathing techniques that help improve mood, sleep, and mobility. This is an all levels class from beginners to advanced. Please bring your own yoga mat and towel. **\$5/class. Payable to INST first day of class.**

## NOVEMBER 2<sup>ND</sup>: LEGACY MUSEUM AND NATIONAL MEMORIAL FOR PEACE AND JUSTICE, MONTGOMERY, AL

The Legacy Museum: From Enslavement to Mass Incarceration and The National Memorial for Peace and Justice opened to the public on April 26, 2018, in Montgomery, Alabama. The 11,000-square-foot Legacy Museum is built on the site of a former warehouse where enslaved black people were imprisoned, and is located midway between an historic slave market and the main river dock and train station where tens of thousands of enslaved people were trafficked during the height of the domestic slave trade. Montgomery's proximity to the fertile Black Belt region, where slave-owners amassed large enslaved populations to work the rich soil, elevated Montgomery's prominence in domestic trafficking, and by 1860, Montgomery was the capital of the domestic slave trade in Alabama, one of the two largest slave-owning states in America. The National Memorial for Peace and Justice is the nation's first memorial dedicated to the legacy of enslaved black people, people terrorized by lynching, African Americans humiliated by racial segregation and Jim Crow, and people of color burdened with contemporary presumptions of guilt and police violence. The cost of the trip includes admission and transportation. Please bring extra money for lunch. **\$10. Payable to the AAB.**

## NOVEMBER 9<sup>TH</sup>: SPRINGDALE ESTATE AND DEAN'S CAKE HOUSE, ANDALUSIA, AL

Springdale Estate, situated in the heart of Andalusia on East Three Notch Street, is a large home on approximately four acres that was constructed by John G. Scherf in the early 1930's. It was scheduled to be auctioned off until the Andalusia mayor and city council stepped in to purchase it and thereby saved it from commercial development. Dean's Cake House was founded by Dean Jacobs in 1994. Since the days of working in a local grocery store, she has been selling her cakes through-out the deep south for almost over 20 years. At the age of 60, Jacobs' put her faith in her cake recipes and opened her own bakery. Every cake is baked and iced individually in her cake house located in Andalusia, Alabama. Her 18 employees, mostly made up of senior citizens, bake more than 400 seven layer cakes per day...plus brownies, cookies, fudge and several hundred two-layer cakes. Her cakes are not just popular to the local residents. Almost 60% of her customers are from out of state. The cost of the trip includes admission and transportation. Please bring extra money for lunch and cake! **\$10. Payable to the AAB.**

The sense of harmony that pervades Chinese culture is expressed in the traditional subjects of flowers, animals and landscapes. ## PICKLEBALL DAILY GAMES

This recreational craze has an estimated 2.8 million players nationally and has become the *fastest* growing sport in the US according to the USA Pickleball Association. It borrows from tennis, ping pong and badminton; it is easy to learn and with less ground to cover on a smaller court, it is not hard on the joints. Pickleball is a great alternative to tennis as adults get older or for anyone nursing overuse injuries from other sports. In addition to simply being fun, the moderate exercise and social nature of the game keep participants coming back week after week. One to three scheduled games are played **every** day of the week with 300 to 400 players on the courts each month. Most of the games are played on the six Samford Avenue tennis courts (newly lined for pickleball). There are also four courts at Indian Pines and two at the Frank Brown Recreation Center. E-mail Jeanette Parker at [jeanette4567@gmail.com](mailto:jeanette4567@gmail.com) or call or text her at 334-329-9356 for more information on scheduled game times and locations. Join the fun today! **FREE to the Public.**

## GOLF LESSONS

Indian Pines Golf Course, located at 900 Country Club Drive, is an 18-hole public golf course located in Auburn and adjacent Opelika. In 2005, the course was cited by *Golf Digest* in their rating of Auburn as the "best golf city in America". It is a par 70 course with summer bermuda grass and a bentgrass/ryegrass mix in the winter. Indian Pines was originally constructed in 1946 as the Saugahatchee County Club, a nine-hole course, with the first tournament being held on July 4, 1947. The back nine holes, designed by Eddie Loos, were built in 1951. In 1976, the course was sold to the cities of Auburn and Opelika, which have operated it as a municipal course since. The course was redesigned in 1999. After fire destroyed the old clubhouse, a new clubhouse was constructed in 2006. Indian Pines hosts the Indian Pines Invitational, an amateur tournament drawing 200 participants and sponsored by Miller Lite. Indian Pines is the home course of the Auburn High School Tigers golf team.

Golf lessons are taught by two professionals on site: Fred Holton, PGA General Manager/Professional and Jerry Bavaro, PGA Head Golf Professional. Golf lesson rates for Adults are \$75/hr. or \$45/half hour and rates for junior golf lessons are \$65/hr. or \$35/half hour. To register for golf lessons or questions, please contact (334) 821-0880. ## BALL COLOR CHART

Tennis is now easier for younger kids to play with the addition of different colored balls. These variations of tennis balls have a lower compression than the regular yellow balls. The different colored balls bounce lower for children's height and are more forgiving on player errors in technique. The age groups for USTA (United States Tennis Association) tennis are in the following ball color categories:

**Red Balls:** 8 and Under      **Green Balls:** 11 - 12

**Orange Balls:** 9 - 10      **Yellow Balls:** 13+

- Orange or Green Balls may be used in 13+ age groups in City of Auburn Tennis clinics according to skill level and drill being practiced.
- USTA rules and regulations for youth tennis are subject to change according to USTA policies and standards.

## MORNING CARDIO TENNIS
