Zumba Gold

Zumba Gold was designed for the older, active adult, a person who hasn't been exercising in a long time or individuals who may be limited physically. The biggest difference between Zumba Gold and Zumba basic is that Zumba Gold is done at a much lower intensity. It's just as much fun, just not as fast! Zumba Gold utilizes the same great Latin styles of music and dance that are used in the Zumba basic program,

including the Salsa, Cha-Cha, Rock 'n Roll and Merengue. The Zumba Gold program strives to improve balance, strength, flexibility and most importantly, the heart. When you take the Zumba Gold class, be sure to wear comfortable workout clothing, take water and a towel, along with a "ready to party" attitude! **COVID-19 Note:** Class will take place in the gymnasium with participants spaced 6 feet apart. Due to COVID-19 restrictions, this class is limited to no more than 10 participants. Those with underlying health conditions are discouraged from attending. **FREE to the public.**

Yin Yoga for Health and Happiness

Yin Yoga is a little different than the "typical" yoga class. It is a more passive yoga class where we learn to relax our muscles in order to improve the health of our joints, ligaments, fascia, and all other connective tissues that normally are not exercised in traditional exercise. Please let the instructor know of any injuries or concerns as she may need to modify a pose to meet your specific needs. Yin Yoga is recommended highly if you are over the age of 35 as it helps to keep the connective tissues, joint, and other aspects of the body in proper alignment and good health as we age. Yin also teaches breathing techniques that help improve mood, sleep, and mobility. This is an all levels class from beginners to advanced. Participants will need to provide a mat, towel or small lap blanket, yoga strap and possibly a yoga bolster. These items will not be provided to participants. Class size is limited to 15 participants. **COVID-19 Note:** Class will take place outside with a minimum of 6 feet between participants. Masks must be worn when students are not on the yoga mat. Class changes will be announced at the discretion of the instructor. **\$5/class. Payable to INST first day of class.**

Dulcimers are a relatively quiet instrument. Their sweet quiet sound is well-suited to personal relaxation or playing in a cozy environment. The instructor is an Assistant Clinical Professor in the Music Education Department at Auburn University. Students will be required to provide their own dulcimer and lesson book for the class. Contact instructor for details.

Seated Zumba Gold on Zoom

Zumba movements are designed to mimic many typical Latin dance styles like salsa, rumba, and cumbia. Although traditionally many of these dances require use of your entire body, they can easily be adapted for people with mobility challenges. Many movements can be done with the upper body from a seated position in a wheelchair. Because so many different styles of music are usually incorporated into typical Zumba classes, participants join into the motions they feel most comfortable with. This class is a great way to strengthen the upper body as well as the lower extremities such as ankles and feet (if able). Participate from your own wheelchair or from a regular chair. This class will take place on Zoom every Thursday at 10 a.m. You must have video capability to view the class. **FREE to the public.**

Golf

Indian Pines Golf Course, located at 900 Country Club Drive, is an 18-hole public golf course located in Auburn and adjacent Opelika. In 2005, the course was cited by *Golf Digest* in their rating of Auburn as the "best golf city in America". It is a par 70 course with summer bermuda grass and a bentgrass/ryegrass mix in the winter. Indian Pines was originally constructed in 1946 as the Saugahatchee County Club, a nine-hole course, with the first tournament being held on July 4, 1947. The back nine holes, designed by Eddie Loos, were built in 1951. In 1976, the course was sold to the cities of Auburn and Opelika, which have operated it as a municipal course since. The course was redesigned in 1999. After fire destroyed the old clubhouse, a new clubhouse was constructed in 2006. Indian Pines hosts the Indian Pines Invitational, an amateur tournament drawing 200 participants and sponsored by Miller Lite. Indian Pines is the home course of the Auburn High School Tigers golf team.

Golf lessons are taught by two professionals on site: Fred Holton, PGA General Manager/Professional and Jerry Bavaro, PGA Head Golf Professional. Pickleball

This recreation craze has an estimated 3 million players nationally and has become the fastest growing sport in the US according to the USA Pickleball Association. It borrows from tennis, ping pong and badminton. It is easy to learn and with less ground to cover on a smaller court and is not hard on the joints. Pickleball is a great alternative to tennis as adults get older or for anyone nursing overuse injuries from other sports. In addition to simply being fun, the moderate exercise and social nature of the game keep participants coming back week after week. The games in Auburn are played on the six Samford Avenue tennis courts (lined for pickle ball). There are also two courts at the Frank Brown Recreation Center. E-mail oapbnow@gmail.com ***COVID-19 note:** Physical distancing of 6 feet is to be maintained when not participating directly in pickleball. The bathrooms at the tennis centers are open and will be cleaned frequently. **FREE to the Public**

Throwing with Intention: Explore, Experience, Extend

This class is designed for the potter who already has some experience and confidence working on the wheel and is beginning to feel that there must be more to pottery than throwing cups, mugs, and bowls successfully. In this class we will learn to throw new forms including altering wheel pieces to be oval- or square-shaped, throwing closed forms, making plates and platters, and developing strategies to make lids that fit. We will also explore more challenging throwing and altering techniques such as throwing in two parts for added height, altering forms using darts, and using cutout and subtractive carving to enhance forms. This is **NOT** a beginner class and is intended for a seasoned potter wanting to hone already established skills and face new clay challenges. Prerequisites include consistent success throwing cylinders and bowls of various sizes and being able to center and work with up to 5 pounds of clay. Class instruction includes glaze techniques. Clay, glazes, and kiln firings are included in the materials fee, and, while basic tools and water buckets are available in the studio for class use, participants may prefer working with their own tools.

Special Olympics

Auburn Parks and Recreation supports Special Olympics by sponsoring teams for many of the Special Olympic events. Currently, we support athletes for aquatics, basketball, bowling, flag football, golf, powerlifting, softball, tennis, track and field, and volleyball. Practices take place throughout the year with the help of local Special Olympics volunteer coaches. You must be at least 8 years of age and meet the requirements of the Alabama Special Olympic Guidelines in order to participate. ***COVID-19 note:** We are waiting on direction from Special Olympics National for all spring sports. Please stay tuned; as soon as we have more information we will distribute it to everyone.

**Registration is required and includes completing health forms and release forms. To register, email Elizabeth Kaufman. **

Bocce Practice

The basic principle of the sport is to roll a bocce ball closest to the target ball, which is called a palina. Bocce as a Special Olympics sport provides people with special needs the opportunity to have social contact, develop physically and to gain self-confidence. Next to soccer and golf, bocce is the third most participated sport in the world. Practice will continue through May 2021 and ends with State Games.

Unified Golf Practice

Golf is a precision club and ball sport, in which competing players (or golfers) use many types of clubs to hit balls into a series of holes on a golf course using the fewest number of strokes. The game is played on golf courses, each of which features a unique design, although courses typically consist of either nine or 18 holes. Golf practice usually meets on Sundays, and adds Wednesday practices the 2-3 weeks leading up to a tournament. Tournaments are in the fall and spring, and golf ends with State Games in May 2021.
