ZUMBA GOLD

Zumba Gold was designed for the older, active adult, a person who hasn't been exercising in a long time or individuals who may be limited physically. The biggest difference between Zumba Gold and Zumba basic is that Zumba Gold is done at a much lower intensity. It's just as much fun, just not as fast! Zumba Gold utilizes the same great Latin styles of music and dance that are used in the Zumba basic program, including the Salsa, Cha-Cha, Rock 'n Roll and Merengue. The Zumba Gold program strives to improve balance, strength, flexibility and most importantly, the heart. When you take the Zumba Gold class, be sure to wear comfortable workout clothing, take water and a towel, along with a "ready to party" attitude! **FREE to the public.**

SEATED ZUMBA GOLD

Zumba movements are designed to mimic many typical Latin dance styles like salsa, rumba, and cumbia. Although traditionally many of these dances require use of your entire body, they can easily be adapted for people with mobility challenges. Many movements can be done with the upper body from a seated position in a wheelchair. Because so many different styles of music are usually incorporated into typical Zumba classes, participants join into the motions they feel most comfortable with. This class is a great way to strengthen the upper body as well as the lower extremities such as ankles and feet (if able). The class can be taken from your own wheelchair or from a regular chair. **FREE to the public.**

Chairs provided.

MARCH 8TH: HILLS & DALES ESTATE, LAGRANGE, GA

Completed in 1916, the 13,000 square foot home was designed to flow gracefully into its gardens—a series of dwarf boxwood parterres planted by Sarah Ferrell, which have adorned the terraces of the hill for more than 180 years and is considered one of the best preserved 19th century gardens in the country. The classic lines of the home, designed by renowned architects Neel Reid and Hal Hertz, have now silently watched over the beloved gardens for a century. GOLF

Indian Pines Golf Course, located at 900 Country Club Drive, is an 18-hole public golf course located in Auburn and adjacent Opelika. In 2005, the course was cited by *Golf Digest* in their rating of Auburn as the “best golf city in America”. It is a par 70 course with summer bermuda grass and a bentgrass/ryegrass mix in the winter. Indian Pines was originally constructed in 1946 as the Saugahatchee County Club, a nine-hole course, with the first tournament being held on July 4, 1947. The back nine holes, designed by Eddie Loos, were built in 1951. In 1976, the course was sold to the cities of Auburn and Opelika, which have operated it as a municipal course since. The course was redesigned in 1999. After fire destroyed the old clubhouse, a new clubhouse was constructed in 2006. Indian Pines hosts the Indian Pines Invitational, an amateur tournament drawing 200 participants and sponsored by Miller Lite. Indian Pines is the home course of the Auburn High School Tigers golf team. Golf lessons are taught by two professionals on site: Fred Holton, PGA General Manager/Professional and Jerry Bavaro, PGA Head Golf Professional. PICKLEBALL

This recreation craze has an estimated 3 million players nationally and has become the fastest growing sport in the US according to the USA Pickleball Association. It borrows from tennis, ping pong and badminton. It is easy to learn and with less ground to cover on a smaller court and is not hard on the joints. Pickleball is a great alternative to tennis as adults get older or for anyone nursing overuse injuries from other sports. In addition to simply being fun, the moderate exercise and social nature of the game keep participants coming back week after week. The games in Auburn are played on the six Samford Pickleball and Tennis Center pickleball courts. There are also two courts at the Frank Brown Recreation Center. For more information on local pickleball email auburnpickleball@gmail.com or visit auburnpickleball.edublogs.org **FREE to the Public.**

THROWING WITH INTENTION: EXPLORE, EXPERIENCE, EXTEND

This class is designed for the potter who already has some experience and confidence working on the wheel and is beginning to feel that there must be more to pottery than throwing cups, mugs, and bowls successfully. We will also explore more challenging throwing and altering techniques such as throwing in two parts for added height, altering forms using darts, and using cutout and subtractive carving to enhance forms. This is **NOT** a beginner class and is intended for a seasoned potter wanting to hone already established skills and face new clay challenges. Prerequisites include consistent success throwing cylinders and bowls of various sizes and being able to center and work with up to 5 pounds of clay. Class instruction includes glaze techniques. Clay, glazes, and kiln firings are included in the materials fee, and, while basic tools and water buckets are available in the studio for class use, participants may prefer working with their own tools. **\$120 + \$40 materials fee.**

Join the KPNC and the Auburn Public Library as we partner to celebrate "National Read Across America Day" with the National Education Center. National Read Across America Day coincides with Theodor Seuss Geisel's (Dr. Seuss) birthday and across the country, we celebrate by bringing together kids, teens, and books! At the KPNC, enjoy stories every 20 minutes at many locations around the Nature Center including the Nature Playground's tree house, the campfire, the waterfall deck, Azalea Place, and among the trees on our trails. Visitors will also get to hunt for each page of our "story walk," a book whose pages are along a short walk in the woods. Read Across the Preserve is free – donations are welcomed. Cancelled in the event of rain – please watch our Facebook page for updates.

AUBURN AREA COMMUNITY THEATRE (AACT) ANNOUNCES OPEN AUDITIONS FOR VANYA AND SONIA AND MASHA AND SPIKE BY CHRISTOPHER DURANG

Open Auditions for *Vanya and Sonia and Masha and Spike*. No previous experience necessary! 4 women and 2 men are needed for an award-winning comedy. Vanya and his adopted sister Sonia live a quiet life in the Pennsylvania home where they grew up, but their peace is disturbed when their movie-star sister returns home with her boy-toy Spike with plans to sell the old farmhouse. A weekend of rivalry and regret begin! Every character has some beautiful moments on-stage. The peace-maker, older brother Vanya (40-60), has a hilarious moment of comic rage about cellphones and modern manners. Lonely Sonia (40-60) goes to a party as Maggie Smith. Cassandra (any age) comically foretells the future in bizarre verse. Masha (40-60) has her own emotional rollercoaster about career, love, and Voodoo-induced migraines. Sweet Nina (18-30) from next door will even play an amoeba to become an actress, and finally, Spike (18-30) is Masha's Boy-Toy, who enjoys making everyone a little uncomfortable. (Feel free to read more about the production on Wikipedia.) Come either or both audition days, and read from the scripts provided. Set, props, and other volunteers are also welcome to come to auditions.

AREA COMMUNITY THEATRE (AACT) PRESENTS VANYA AND SONIA AND MASHA AND SPIKE BY CHRISTOPHER DURANG

Winner of the 2013 Tony Award for Best Play! In *Vanya and Sonia and Masha and Spike*, master of comedy Christopher Durang takes characters and themes from Chekhov, pours them into a blender and mixes them up. Set in present-day Bucks County, Pennsylvania, Vanya and his adopted sister Sonia have lived their entire lives in their family's farmhouse. While they stayed home to take care of their ailing parents, their sister Masha has been gallivanting around the world as a successful movie star, leaving Vanya and Sonia to feel trapped and regretful. Their soothsayer/cleaning woman Cassandra keeps warning them about terrible things in the future. A sudden visit from Masha and her twenty-something boy toy Spike, throws the quiet household into upheaval as everyone gets swept up into an intoxicating mixture of lust, sibling rivalry, unrequited love, regret, and the possibility of escape! Even if you don't know your Uncle Vanya from your Seagull, you will find this hilarious and touching. Details can be found at AuburnACT.org. **\$12/adults, \$10/students and seniors.**

Currently, we support athletes for aquatics, basketball, bowling, flag football, golf, powerlifting, softball, tennis, track and field, and volleyball. Practices take place throughout the year with the help of local Special Olympics volunteer coaches. You must be at least 8 years of age and meet the requirements of the Alabama Special Olympic Guidelines in order to participate. *COVID-19 note: We are waiting on direction from Special Olympics National for all spring sports. Please stay tuned; as soon as we have more information we will distribute it to everyone.

AQUATICS PRACTICE

Swimming is one of the most popular sports in world. Unlike other sports, swimming is a life skill that is taught, first, to help ensure safety and, secondly, for sports and competition purposes. Aquatics covers a great variety of swimming skills, from short sprints to longer events and relays.

BOCCE PRACTICE

The basic principle of the sport is to roll a bocce ball closest to the target ball, which is called a palina. Bocce as a Special Olympics sport provides people with special needs the opportunity to have social contact, develop physically and to gain self-confidence. Next to soccer and golf, bocce is the third most participated sport in the world. Practice will continue through May 2022 and ends with State Games.

BOWLING PRACTICE

Although Bowling does not belong to the Olympic sports, it is among the most popular sports in Special Olympics. It is a particularly beneficial sport to people with intellectual disabilities, irrespective of their age or sports abilities, since it ensures physical exercise and at the same time participation and social integration. Plus, it's great fun! Athletes will prepare for the early spring tournament and State Games. **\$2.50/ game.** Practice will continue through May 2022 and ends with State Games.

POWERLIFTING PRACTICE

Every athlete aims in lifting more weights than the opponent using specific moves. In Special Olympics Powerlifting is much more than deadlift, squat or bench press. It is effort, persistence and loyalty. Training, determination and attitude, are the key facts that define the balance between a successful or a failed attempt. Practice will continue through May 2022 as athletes prepare for the State Games in May.

UNIFIED GOLF PRACTICE

Golf is a precision club and ball sport, in which competing players (or golfers) use many types of clubs to hit balls into a series of holes on a golf course using the fewest number of strokes. The game is played on golf courses, each of which features a unique design, although courses typically consist of either nine or 18 holes. Golf practice usually meets on Sundays, and adds Wednesday practices the 2-3 weeks leading up to a tournament. Tournaments are in the fall and spring, and golf ends with State Games in May 2022.

TRACK AND FIELD PRACTICE

The sport of athletics encourages athletes of all abilities and ages to compete at their optimum level. Through the track-and-field-based athletics training program, participants can develop total fitness to compete in any sport. As with all Special Olympics sports, athletics offers athletes the opportunity to learn through skill development and competitive settings and to be involved in large social settings. Practice will continue through May 2022 as athletes prepare for the spring tournament in April and State Games in May.
