It’s time to break out the thinking caps and magnifying glasses for Itty Bitty Auburn in celebration of Alabama’s birthday! Beginning Monday, August 1st, participants can pick up a worksheet for the scavenger hunt at any Parks and Recreation facility or find it on the City of Auburn website, printed in select newspapers and on Facebook. The worksheet features 20 Itty-bitty sites in various locations around Auburn. Participants will find these sites and find a clue inside each location. A successful scavenger hunt will reveal a special phrase which a participant will need to log their win! All participants must “register their win” by Wednesday, August 31 at 11:59 p.m. Those who compile all 20 clues and discover the phrase will be entered into the Grand Prize drawing. Winners will be announced and contacted on Friday, September 9th.

ZUMBA GOLD
Zumba Gold was designed for the older, active adult, a person who hasn’t been exercising in a long time or individuals who may be limited physically. The biggest difference between Zumba Gold and Zumba Basic is that Zumba Gold is done at a much lower intensity. It’s just as much fun, just not as fast! Zumba Gold utilizes the same great Latin styles of music and dance that are used in the Zumba basic program, including the Salsa, Cha-Cha, Rock ‘n Roll and Merengue. The Zumba Gold program strives to improve balance, strength, flexibility and most importantly, the heart. When you take the Zumba Gold class, be sure to wear comfortable workout clothing, take water and a towel, along with a “ready to party” attitude!

FREE to the public.

SEATED ZUMBA GOLD
Zumba movements are designed to mimic many typical Latin dance styles like samba, rumba, and cumbia. Although traditionally many of these dances require use of your entire body, they can easily be adapted for people with mobility challenges. Many movements can be done with the upper body from a seated position in a wheelchair. Because so many different styles of music are usually incorporated into typical Zumba classes, participants join into the motions they feel most comfortable with. This class is a great way to strengthen the upper body as well as the lower extremities such as ankles and feet (if able). The class can be taken from your own wheelchair or from a regular chair.

FREE to the public.

YIN YOGA FOR HEALTH AND HAPPINESS
Yin Yoga is a little different than a “typical” yoga class. It is a passive/quiet yoga practice where we learn to relax our muscles in poses held for longer periods of time in order to improve joint, ligament, fascia and connective tissue that normally are not exercised in traditional exercise sessions. Please let instructor know of any injuries, concerns in order that the poses practiced in the class may be modified to meet your specific needs. Yin yoga is highly recommended if you are over the age of 55 as it helps to keep the connective tissue, joints and other aspects of the body in alignment and sustain flexibility as we age. Yin yoga also incorporates mindfulness to include breathing techniques that help improve mood, sleep, and mobility. This is an all levels class from beginners to advanced. Participants will need a yoga or padded mat, small lap blanket or beach towel. The participant may decide to purchase their own optional equipment – bolster, blocks and yoga strap. The Parks and Recreation Department provide those optional equipment items for use unless you chose to purchase your own. It is suggested that you attend class and use the provided optional equipment before you go out and purchase your own. It is suggested you give yourself some time to see if the class is something that you will continue before purchasing the additional items. Instructor reserves the discretion to cancel class as needed. Class Cancellations will be announced in advance if known or participants will be alerted as soon as possible before scheduled class time/day.

FREE to the public.

If a player finishes the second round with zero dollars, they are eliminated from “Final Jeopardy.” We will play multiple rounds so that everyone gets to participate! $5 to cover the cost of lunch.

PRESEN TO SWIM

Learn-to-swim courses teach young children and teens aquatic and personal water skills in a logical progression through six weeks. Aquatic and personal water safety skills are taught in a logical progression through six levels. Participants in Level 1 are oriented to the aquatic environment and gain some basic skills in each category. As they progress through the levels, participants build on their basic skills to learn and refine various propulsive movements on the front, back and side. On successful completion of Level 3, participants have achieved basic water competency in a pool environment. By the end of Level 6, participants have the prerequisite skills and have developed the necessary skill and fitness levels for entrance into advanced courses, or other aquatic activities such as competitive swimming and diving. The recommended minimum age for entry into Red Cross Learn-To-Swim is approximately 6 years old. There is no maximum age for any level; however, it is typical that participants in the Learn-To-Swim levels are elementary- to middle school-age children. There are no skill prerequisites for Learn-To-Swim Level 1. For Levels 2 through 6, participants must be able to demonstrate the exit skills assessment of the previous level. $45 per person.

**Indian Pines Golf Course**

Indian Pines Golf Course, located at 900 Country Club Drive, is an 18-hole public golf course located in Auburn and adjacent Opelika. In 2005, the course was cited by Golf Digest in their rating of Auburn as the “best golf city in America”. It is a par 70 course with summer bermuda grass and a bentgrass/ryegrass mix in the winter. Indian Pines was originally constructed in 1946 as the Saugahatchee County Club, a nine-hole course, with the first tournament being held on July 4, 1947. The back nine holes, designed by Eddie Loos, were built in 1951. In 1976, the course was sold to the cities of Auburn and Opelika, which have operated it as a municipal course since. The course was redesigned in 1999. After fire destroyed the old clubhouse, a new clubhouse was constructed in 2006. Indian Pines hosts the Indian Pines Invitational, an amateur tournament drawing 200 participants and $35/half hour and rates for junior golf lessons are $65/hr. or $35/half hour. GROSS OUT CAMP

Is it icky, sticky or slimy? Can you race roly polies? How about finding animal tracks? Or make friendshipssss with a scaly animal? If it’s gross, we’ve got it! Fresh Air Family’s Gross Out Camp introduces the best, the worst and the grossest wonders nature has to offer. It’s the kind of science kids love – hands-on, a bit disgusting, in the Great Outdoors. It’s an award-winning science camp for campers entering first through fourth grade. (It’s science, but please don’t tell the kids!). Fresh Air Family (FAF) is offering Gross Out Day Camp outside, in the natural habitat of children. Taught by expert naturalists and instructors with advanced science degrees, the campers explore their world to discover zoology in the form of decomposers (worms), centipedes (bugs), crustaceans (roly polies and crawdads) and the occasional lizard (skink). Campers learn about polymers (slime), Isaac Newton (cobbleck), and chemical reactions (vinegar and baking soda). The week-long camp is limited to 20 to 25 children – the perfect class size for learning. Campers cater to working parents and runs from 9 am – 5 pm, with an option for 8 am – 6 pm, Monday through Friday. $250 per week/$280 per week with extended care.

PICKLEBALL

This recreation craze has an estimated 3 million players nationally and has become the fastest growing sport in the US according to the USA Pickleball Association. It borrows from tennis, ping pong and badminton. It is easy to learn and with less ground to cover on a smaller court and is not hard on the joints. Pickleball is a great alternative to tennis as adults get older or for anyone nursing overuse injuries from other sports. In addition to simply being fun, the moderate exercise and social nature of the game keep participants coming back week after week. The games in Auburn are played on the six Samford Avenue tennis courts (lined for pickle ball). There are also two courts at the FBRC. FREE to the Public. Contact: oapbnow@gmail.com

### AACT ACADEMY OUTREACH

Part of AACT Academy’s mission is to offer theater opportunities for young actors in our community. AACT has also tried to provide theater outreach in other areas. For years we have offered a weekly theater experience for those attending the City of Auburn’s Therapeutics camp. You do not need to have ANY theater background, just a willingness to wake up early on a summer day, and share your joy of life with others! You need to be able to attend at least 4 of the 7 sessions. Space is limited and you must sign up at auburnact.org. Online registration is taking place NOW! You can get more information and access the registration site by visiting www.auburnact.org. There will be two training/planning meetings before we begin in June, date/time TBD. FREE.

BUILDING CONFIDENCE: TAKE ANOTHER SPIN ON THE WHEEL

This class is designed for the aspiring potter who has taken a Beginner Wheel class before and desires further instruction on mastering consistent centering and pulling level cylinders and bowls as well as tackling new challenges like trimming, attaching handles, bowl embellishments, and throwing new forms. During the duration of the class, participants will be able to come into the studio to practice on wheels. Class instruction includes glaze techniques, and your creations will be fired in our kilns. Clay, glazes and kiln firings are included in the materials fee, and basic tools and water buckets are available in the studio for class use. (This is **not** a beginner level class. Recent prior instruction on the wheel is required.) $120 + $40 materials fee.

AUBURN AREA COMMUNITY THEATRE (AACT) ANNOUNCES OPEN AUDITIONS FOR “HANDS ON A HARDBODY” BY DOUG WRIGHT

This rock-country musical is based on the real-life documentary of an endurance contest, where one contestant will win that Nissan hardbody pick-up truck by keeping a hand on it the longest. Each character has their own vision of the American dream, and their own moment to shine with a solo. A new lease on life is so close they can touch it!

10 men and 6 women of various ages and ethnicities are needed for this diverse cast. Strong dance skills may not be needed for every role. Please prepare at least 60 seconds of a song, and bring your recorded music, or provide sheet music for the accompanist. Come either or both audition days, and read from the scripts provided. No previous experience necessary! Set, props, and other volunteers are also welcome to come to auditions.

AUBURN AREA COMMUNITY THEATRE (AACT) PRESENTS “HANDS ON A HARDBODY” BY DOUG WRIGHT

“Hands on a Hardbody” chronicles the hilarious and hard-fought contest between 10 Texans who are trying to drive away with the American dream. Based on the real-life Hands on a Hard Body Contest documentary, this critically-acclaimed musical tells the story of an endurance contest, where the contestant who keeps their hand on a truck the longest, gets to keep the truck. If you let go, you lose! The book is by Pulitzer Prize-winning Doug Wright, with tuneful country-rock melodies and soulful lyrics by Phish’s Amanda Green and Trey Anastasio. “Hands on a Hardbody” explores humor, hardship, heartache, and hope, and captures the voice and spirit of Americans trying to rise above difficult times. This is a wonderful story, uplifting and genuine. “You can hear the sound of America singing with this daring new musical!” – The New York Times.

Tickets are $18/Adults, $16/Students and Seniors. Tickets can be purchased at auburnact.org. Ticket info. line: (334) 246-1084.
