

Notice to Auburn Water Works Board Customers

On October 18, 2018, Auburn Water Works Board approved an 8% rate increase for water services effective for the bills sent to customers beginning in February 2019. For most residential customers (¾" meters), the change is as follows:

<u>Per 1,000 Gallons</u>	<u>Current Rate</u>	<u>Rate Effective January 1, 2019</u>	<u>Increase per 1,000 Gallons</u>
First 3,000 gallons	\$4.86	\$5.25	\$0.39
Over 3,000 gallons	\$3.86	\$4.17	\$0.31

The average residential water usage is 5,000 gallons per month; the charge for water on the average bill will increase from \$22.30 to \$24.09, an increase of \$1.79. Additional information about water rates is available by calling the Utility Billing Office/Finance Department at 334-501-3050.
